

Suggestions on Subject Enrichment Activities

In the recently held Principals' Conference at Jalandhar ,Principals wanted to know about the number of Subject Enrichment Activities to be conducted per Term in each subject from Classes III-X as per the new guidelines issued by CBSE and KVS vide letter bearing No. CBSE/CM/2017 dated 21.03.2017 and 110331-01/2017-KVS/Acad/CBSE dated 26.04.2017 respectively. The weightage given to each subject is supposed to be reduced from 25 marks to 5%. In order to have a uniform structure in the Region, a Committee consisting of following Principals was constituted to look into the issue and to suggest about the conduct of SEAs.

S.No.	Name	KV
1.	Sh. Jugal Kishore, Principal	Sec-29, Chd
2.	Mrs. Sham Chawla, Principal	Highgrounds
3.	Mr. Rajinder Kumar, Principal	Zirakpur

Committee discussed the issue in details and taken the view of Vice Principal Mrs. Vandana Walia, KV Sec-29, Chd, Mrs. Mridul Sharma, HM KV Sec-47, Chd and Mrs. Sanju Sundi, HM, KV Sec-29, Chd, the committee suggested the following activities subject wise. These suggestions are sent to all the principals of KV under Chandigarh Region with the objective to go through these subject wise activities and give their Comments/Observation before finalization.

These comments/suggestions should be mailed to Regional Office latest by 18.08.2017

LANGUAGES (English& Hindi)-Class III – V

Five activities to be conducted in each Term as per the details given below:

- Class Magazine should be considered as compulsory activity for all the students. Assessment of this Activity may be done twice i.e.in Term I & II.
- Subject teacher will choose any 4 Activities out of the list circulated by KVS HQ (attached in Annexure I for ready reference) for Term-I and other 4 Activities for Term-II. A sample of five

activities along with their rubrics is attached in Annexure II for teachers.

MATHEMATICS - CLASS III – V

Five activities to be taken in each Term as per the details given below:

- Dodging Tables & Mental Math is to be considered as compulsory activities for both the terms.
- Subject teacher will choose any 3 Activities for Term-I and other 3 Activities for Term-II. From the Maths Lab Activities. The class-wise link for the same is given below:

Circular No.: Acad- 14 /2017 Date: 21/03/2017

- A sample of five activities along with their rubrics is attached in Annexure II for teachers.

EVS- CLASS III – V

Five activities to be taken in each Term as per the details given below:

- Map Work & Poster Making (on different Themes) are to be considered as compulsory activities for both the terms.
- Subject teacher will choose other 4 activities in the Term-I and Term-II each from the Subject Enrichment Activities sent by KVS HQ (attached in Annexure I for ready reference) .A sample of five activities along with the rubrics is attached in Annexure IV for teachers.

Note: 1. Each Subject Enrichment Activity will be of 5 Marks. Total of 5 Activities which comes out to be 25 should be reduced to 5% weightage to be given in the Internal Assessment of each Term.

2. List of Suggested Subject Enrichment Activities are mentioned in Annexure-I.

CLASS VI TO VIII

- Total 5 activities per term will be conducted from class VI to VIII. Each activity will carry 5 marks.
- Total (25) will be further reduced to 5.
- Out of 5 activities in Term-I, 3 activities will pertain to Listening and 2 Activities to speaking. In Term -II, 3 Activities will pertain to Speaking and 2 to listening. Teacher may read out a story or any other text followed by five questions to be responded on a given sheet of paper, on which students will write responses. Each response will be of 1 mark.
- There will be 2 /3 Speaking Activities.
 - (a) One Conversation Activity is mandatory.
 - (b) Choose other activities from the list of Subject Enrichment Activities given in Uniform Evaluation System of Assessment.
- Total- 15 (listening) + 10 (speaking) = 25 marks (reduced to 5) in Term-I and Total-15(speaking) +10(listening) =25 marks (to be reduced to 5) in Term-II.

CLASS IX TO X

- There will be 5 activities in the whole session. Each activity will carry 5 marks.
- 3 Speaking Activities carrying 5 marks each are compulsory.
- 2 Listening Activities are to be conducted in the session.
- One conversation Activity out of the 3 speaking activities is mandatory.
- The other Speaking Activities can be decided by the teacher from Subject Enrichment Activities sent by KVS HQ (attached in Annexure I for ready reference)
- A sample of five activities along with the rubrics is attached in Annexure II for teachers.

4. The Activity will be tested for 25 marks in each Term which will be reduced to 5.
5. Term wise activities are mentioned below.

Class-VI

List of Subject Enrichment Activities

MATHS

Term-1

1. To find out prime numbers from 1 to 50 without actually checking the factors of a number.
2. To find the sum of two given integers with the help of number line.
3. To verify that addition is commutative for whole numbers.
4. To make a protractor by paper folding.
5. To draw an angle of 45° by paper folding

Term-2

6. To find the perpendicular bisector of a line segment by paper folding.
7. To make a chord, diameter and sector of a circle by paper folding. Also, to shade the minor and major segment of the circle.
8. To observe the given matchstick patterns and to verify the rules that explain those patterns in terms of a variable.
9. To derive the formula for the area of rectangle
10. To find the centre of a circle by an activity.

1. To represent sum of two fractions by paper cutting and pasting activity.
2. To find the relation between an exterior angle and interior opposite angle of a triangle by an activity.
3. To find the sum of angles of a triangle by an activity.
4. To find the relationship among the sides of a triangle.
5. To verify Pythagoras Property by an activity.

Term-2

6. To verify by an activity that two triangles are congruent if the three sides of triangle are respectively equal to the three sides of the other triangle.
7. To construct a right angled when the length of one side and its hypotenuse are given by using ruler compass and pencil.
8. To find the area of parallelogram and triangle by an activity.
9. To find the circumference of the circle and to find the approximate value of π by an activity.

2. To verify the properties of a parallelogram by activity.
3. To verify angle sum property of a quadrilateral by practical activity.
4. To construct a quadrilateral when the lengths of 4- sides and a diagonal are given.
5. To verify the algebraic identity by paper cutting and pasting method: $(x+a)(x+b)=x^2+(a+b)x+ab$

Term-2

6. To verify the algebraic identity by paper cutting and pasting method: $(a+b)^2 =a^2+2ab+b^2$
7. To find the area of trapezium by activity method.
8. To find the area of a circle by activity method.
9. To find the curved surface area of a cylinder by activity method.

1. To construct a Square Root Spiral ,that depicts the square root of natural numbers $\sqrt{1}, \sqrt{2}, \sqrt{3}$ etc..
2. To obtain the square root of any given positive real number (say 6.5) through an activity,involving paper folding and geometrical construction.
3. To interpret geometrically the factors of a quadratic expression of the type $x^2 + b x + c$.
4. To find out the relationship between vertically opposite angles,formed by the intersection of two lines,using method of tracing.
5. To verify the Angle Sum property of a triangle ,using the method of paper cutting and pasting.
6. To obtain the formula for the lateral surface area of a right circular cylinder through an activity.
7. To draw a graph of linear equation in two variables.
8. To verify that the diagonals of the parallelogram bisect each other,using triangle cut outs.
9. To show that the parallelograms on the same base and between the same parallel lines have the same area,using the method of paper cutting and pasting.
- 10.To verify that the angle subtended by an arc of a circle at the centre is double the angle subtended by it on the remaining part of the circle by paper cutting and pasting.
